

2009  
**SHADOW AERO**

*A super stylish cruiser  
that's easy on the eyes.  
And even easier  
on the wallet.*

**AERO** Ever since it first debuted, the Shadow Aero® has been one of Honda's best-selling middleweight cruisers. No surprise, especially when considering how affordable this stunning machine is. But the Shadow Aero's appeal goes far beyond its price tag. With one quick look you'll note a slew of features—the beefy 749cc V-twin engine, bullet-style mufflers, classic valanced fenders, spoked wheels, a ton of chrome, and five gorgeous new paint schemes. But when you are talking about a Shadow Aero, it's all part of the package. After all, It's A Honda.

## SHADOW AERO

## UNIQUE FEATURES

- Two-into-two exhaust system features bullet-style mufflers for a classic cruiser style.
- Super-low 25.9-inch seat height makes it easier to flat-foot it at stoplights and when parking.
- 749cc liquid-cooled V-twin engine produces impressive power over a broad rpm range.
- Three-valve dual-plug combustion chamber improves both low-speed torque and higher-rpm power.
- Liquid-cooled engine design with aluminum radiator maintains consistent engine temperature for optimum performance and long engine life.
- Single front disc brake with twin-piston caliper grips a 296mm drilled rotor between sintered metal pads for superior stopping power.
- Shaft final-drive system provides smooth and reliable low-maintenance operation.

## SPECIFICATIONS

Model VT750C
