

2010 ♦ SHADOW RS

THE REBIRTH OF THE CLASSIC ROADSTER.

It doesn't matter if you're an experienced rider who loves custom bikes, or if you're making your first custom purchase: The all-new Honda Shadow® RS is a machine you need to ride. The RS is a classic roadster, a bike that combines all the cool styling cues of a cruiser, but with the pegs set a little higher and farther back, a more upright seating position and a more sporty feel overall. It's also one of the most versatile machines in our cruiser lineup—as suited to commuting as a Saturday night prowl. Even though our Shadows are already some of the most awesome machines in their class, the new Shadow RS is certain to be a standout.

Key Features

- Torquey 745cc liquid-cooled V-twin engine pumps out a strong spread of power over a broad rpm range.
- Classic roadster tank shape and seat are inspired by the world of flat-track racing.
- Programmed Fuel Injection (PGM-FI) incorporates a single 34mm-diameter throttle body for improved fuel efficiency, easy startups and lower emissions.
- Sturdy 41mm front fork features a large-diameter billet-aluminum triple-clamp for a distinctive look plus confident, neutral handling and a plush 4.6 inches of wheel travel.
- Classic dual-shock rear suspension features five-position spring preload adjustability and 3.5 inches of wheel travel for a smooth ride.
- Lightweight chain final-drive system and spoked wheels with a 100/90-19 front tire and 150/80-16 rear tire complete the overall classic styling.

Specifications

Engine: 745cc liquid-cooled 52° V-twin

Induction: PGM-FI

Transmission: Wide-ratio five-speed

Final Drive: O-ring-sealed chain

Brakes: Single front disc; rear drum

Wheelbase: 61.5 inches

Seat Height: 29.4 inches
